Deans column: Clear vision that made Sweden world class
"Each spring, as I stand on the steps of Stockholm City Hall and present diplomas one by one to new graduates, I hope that each will make a positive impact on the world. Many will, of course."

Interview with David McDonnell, Chief Executive of Grant Thornton International.

"The School [SSE] has acted as a sort of link for us and pulled in people from round the world. That's been very good from our point of view."

The [custom] programme has been a success."
