### SSE in the news

Deans column: Clear vision that made Sweden world class  
*"Each spring, as I stand on the steps of Stockholm City Hall and present diplomas one by one to new graduates, I hope that each will make a positive impact on the world. Many will, of course."*

[ft.com, March 2007. Topic: "Deans Column"]

Interview with David McDonnell, Chief Executive of Grant Thornton International.

*"The School [SSE] has acted as a sort of link for us and pulled in people from round the world. That's been very good from our point of view.*

*The [custom] programme has been a success."*

[ft.com, July 14, 2008. Article: "Tailored to create a common Culture"]

**Stockholm School of Economics was recognized by FT as nr. 1 in the "Best in Finance" category. SSE was also recognized to be third best Business School in category "Best in Economics" and top three School in category "Top salaries in Finance" and "Top salaries in Consultancy"**
